

Most Systems Are Basic Cellebrite Kiosk Isn't

Same kiosk footprint - a leap ahead
in every extraction

THE DATA GAP

What Competing Kiosks Miss

- Logical file extractions only, the full data stays hidden.
- Locked into one vendor with no way out.
- Offline-only licensing with no flexibility.
- Added cost with no embedded Turbolink.

THE CELLEBRITE UPGRADE

Cellebrite Kiosk

- + Targeted & Full File System extractions means you get all the data.
- + One platform = full Cellebrite ecosystem access.
- + Online and offline configurations built on your terms.
- + Embedded Turbolink = no extra hardware.
